

Essential Unit Outcomes

Administration and the PBS Team will:

- Gather and analyze data to evaluate current supervision procedures and practices
- Gather and analyze data to evaluate bullying dynamics school-wide
- Develop proactive supervision policies for all common areas
- Set an expectation that all staff will assume responsibility for the active monitoring of all students at all times
- Routinely monitor supervision practices to ensure they are proactive and effective

Staff will:

- Create a school-wide supervision philosophy and policy
- Implement proactive supervision practices for all common areas
- Understand the dynamics which allow bullying to occur and proactively work to eliminate bullying school-wide
- Modify supervision practices in response to on-going data analysis of the common areas
